MISSION

The mission of Springdale Elementary is to be engaged and joyful while we challenge ourselves and others in a caring school community.

A THRIVING DUAL-LANGUAGE PROGRAM

Research shows that bilingual children who are educated in their second language outperform students who speak and learn only in their native language. Students at Springdale go beyond learning another language to learn about other cultures. Students learn to read first in their dominant language, then they spend equal amounts of time building literacy in English and Spanish. Math is taught in English, while science and social studies are taught in Spanish. Students build fluency in both languages through their daily interactions with peers and teachers.

RACIAL/ETHNIC DISTRIBUTION*

| | |
|----------------------------------|-----|
| Black | 3% |
| American Indian or Alaska Native | 4% |
| Asian/Pacific Islander | 0% |
| Hispanic/Latinx | 79% |
| Multi-racial | 4% |
| White | 10% |

*Enrollment data from October 1, 2021.

CLUBS AND PROGRAMS

Soccer Club, Girls Club, Basketball Club, Change Makers, Boy Scouts and Girl Scouts, Good News Club, Art Club, Girls that Code Club.

All clubs and programs have been paused as we monitor COVID-19 conditions and safety protocols.

PARENT FACILITATOR

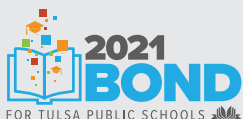

Mayra Carranza, the Parent Facilitator at Springdale Elementary, won the Tomas Rivera Heroes in Education Award in the 2018-2019 school year and in the 2020-2021 school year, which is presented to educators for the impactful work they are doing in the Latinx community. Mayra has been instrumental in increasing attendance rates, increasing participation in parent-teacher conferences and establishing English classes for Springdale parents and families. Every year, Mayra helps organize a Hispanic Heritage Month celebration and managed all middle school and extracurricular applications for families, providing equitable access for all families.

FOCUS ON FINE ARTS

Our music students learn songs in two languages (Spanish and English) so all students can participate.

STEM PROGRAMMING

Thanks to the support of the Cal Ripken, Sr. Foundation and Devon Energy, every elementary school has a new STEM center where students can participate in fun and engaging hands-on learning activities - including computer coding!

Thank you Tulsa for investing in every child and every school! Because of you, every child in our district will see, feel, and experience the benefits of the 2021 Bond package. Tulsans have made a five-year \$414 million investment in safe and accessible schools; state-of-the-art educational technology; sustainable student transportation; and rigorous, engaging, and culturally sustaining learning experiences that prepare students for success in college and careers.

At Springdale Elementary, the 2021 Bond for Tulsa Public Schools includes:

- » A digital marquee, parking lot and sidewalk improvements;
- » Repairs to the HVAC system to improve air quality;*
- » New educational and instructional technology for every class;
- » New equipment, materials, and resources for fine arts and physical education; and
- » Safe, comfortable, and environmentally sustainable transportation.

**HVAC and air quality repairs will be federally funded by the CARES Act.*
